

INVOICE for Annual dues 2018

Dear Member,

We thank you for your continued support each year. We look forward to another incredible year of networking together, growing our businesses, and success for all.

Below, please find your portion to return to renew your membership with Weddings of Sarasota for 2018. Kindly submit your dues in the amount of \$275.00 for your membership by March 1; Payments made after 3/10, but no later than 3/31 will be accepted with a \$30 late fee. Payment must be made on time to continue membership, there will be no exceptions after 3/31. If dues are not paid by 3/31, you will be required to re-apply as per our membership rules and guidelines and are not guaranteed re-acceptance as there is a waiting list for categories and you may have to wait for an opening.

You are only required to be listed under one category. Choose your main category and use your 5 lines of text in the brochure/website to list your other areas of expertise or you may purchase another listing for \$175. Check the list of categories below or write your suggested category in and we will review and advise.

Members are required to participate in our yearly bridal show as a display member or a supporting member. Failure to participate will be cause to cancel your membership.

We are no longer offering Associate Memberships but current associate members will be "grandfathered in".

Corporate Members - Please submit invoice in time for payment by 3/1/18 . No other invoice will be sent

On behalf of the Weddings of Sarasota Board, we thank you for your enthusiasm and support,

Linda Shepard
